

Isles of Shoals Steamship Company Field Trip Cruise School Safety and Awareness Information

We pride ourselves on our excellent safety record. Therefore, we ask that everyone become familiar with the following safety rules. Please print and share these rules with your chaperones and students.

Chaperones

- All chaperones must have a clear list of the students for whom they are responsible.
- Please have each chaperone sign the bottom of their list before handing it to the Captain upon boarding.
- All chaperones must stay with their assigned students. There is to be no congregating with other chaperones.

Nametags

Students as well as chaperones **MUST** wear nametags. It is extremely important for students as well as our staff to be able to easily identify chaperones.

Damaged/Stolen Property

Your school is responsible for all damaged or stolen property.

The following items are not allowed on board and should be left on the bus:

- Walkmans or stereo/radios of any sort
- Chewing gum
- Glass containers

Expected behavior

Students are expected to abide by many of the same rules as in school. There is to be **NO RUNNING OR CLIMBING ON BENCHES, RAILINGS, OR TABLES.** There is to be no commotion on the vessel.

Trash

Trash should be disposed of in the proper receptacle. **NOTHING** gets thrown overboard. Students are expected to pick up after themselves and will be asked to do so before disembarking if necessary.

Health Conditions and Medications

Students or chaperones with any medications or health conditions that could be at risk offshore must bring this to the attention of the Captain. (This information will be kept confidential.)

Inclement Weather

We will contact you and keep in touch regarding any upcoming weather situations. In the event of a potential weather problem we will discuss possible alternative routes or rescheduling.

NO CONTROLLED SUBSTANCES WILL BE TOLERATED!!

If any controlled substance is found, the Captain will immediately return to port. The group will not receive a refund!

It is our intent that the students have a **GREAT** time on board. In order for this to occur, we must have full cooperation from staff and chaperones in controlling an exciting and educational day at sea. Thank you for choosing the Isles of Shoals Steamship Company. We look forward to cruising with you!
